Executive Citation

Kiddie Health Pediatrics

in recognition of the opening of Kiddie Health Pediatrics. Dr. Melanie Garcia has utilized her over ten years of experience in the field of pediatric medicine to open this practice and provide excellent and personalized medical care to infants, children, and adolescents throughout Baltimore County. Located near Franklin Square Hospital, this practice will enhance the care of children for years to come in all of Baltimore County's communities. On behalf of all its citizens, Baltimore County congratulates Dr. Garcia and her family on the opening of this outstanding new practice and wishes it the best in all the years to come.

Given under my hand and the Great Seal of Baltimore County this twenty fourth day of August, in the year two thousand and seven.
